

# 2021 Survey

Please answer [each question](#) with as much detail as possible. We'll use your information to help provide services and activities for both our TLARC membership and community.

Thanks!

## 73, TLARC Officers

**1. What specialty areas do you have in Ham Radio?** (e.g., background in electronics, EmComm, field/portable operation, antennas, amplifiers, QRP, etc.)

**2. Can you operate on emergency power?** (e.g., with 12-volt batteries, generators, solar panels, etc.)

**3. What modes do you operate?** (e.g., FM via repeaters, CW, AM, SSB, digital modes on HF bands, etc.)

**4. In your area of expertise would you be willing to Elmer other hams in TLARC?** (e.g., discuss, guide or share with others in areas of your comfort.)

**5. As a new ham or new TLARC member, what questions would you like to have answered?** (e.g., rules & regulations, band use and propagation, best antenna types for residential properties, contesting tips, etc.)

**6. What are your main interests in Ham Radio?** (e.g., ragchew with buddies, talk around the world, learn more about radio technology, community service, learning Morse code, etc.)

**7. If you're a contester which ones do you normally participate in?** (e.g., CQWW, CW or SSB, QRP, ARRL Field Day, etc.)

**8. Please list the radios that you have?** (Including HTs, HF base stations, portable rigs, digital mode transceivers, etc.)

**9. Anything else about you and/or TLARC that you'd like to tell us?** (e.g., meeting places/frequency, weekly radio net operation, dues, new activity ideas, etc)

10. Would you like to help TLARC sometime by being a Net Control on the weekly radio net? Or perhaps serving as an officer in the future?

11. What is your callsign?

**If you cannot complete this form online (at [2021 TLARC Survey](#)), just print out this PDF, fill in the blanks and send to:**

**George Heron N2APB, 205 Okema Trace, Loudon, TN 37774.**
