

## Death by PowerPoint

- PowerPoint is boring.
- Too many bullet points
- Too much clip art
- I can't be creative.
- Did I tell you that Microsoft owns PowerPoint?

"In today's presentation, I am going to teach you why Powerpoint doesn't work well for learning. If you look at my first slide...."

# Results of the March 2019 TLARC Member Information & Interests Survey

George Heron, N2APB  
David Andrews, N1ESK  
20 April 2019

**56 surveys were handed out or sent after the March Meeting**

**4 were returned or individuals stated they were no longer active with the club**

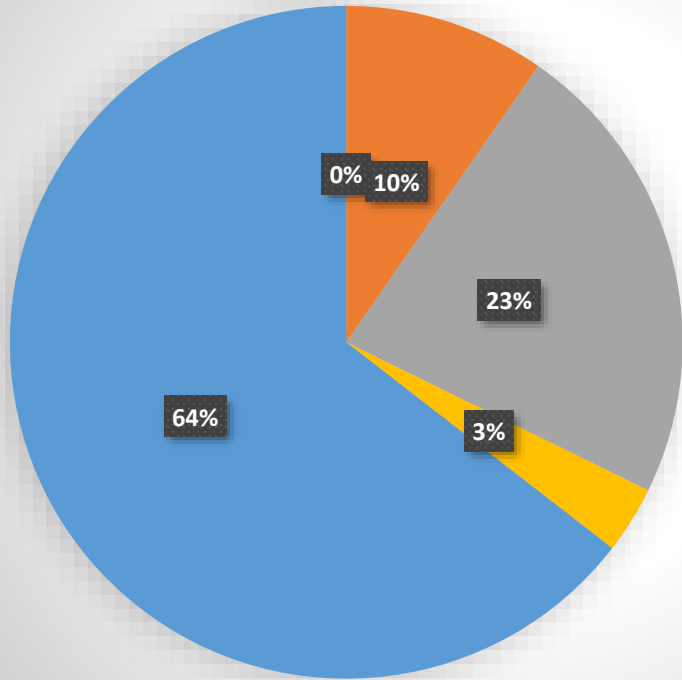

**31 surveys were completed and returned**

**21 surveys were not returned as of Monday evening, April 15**

**59.6% return rate**

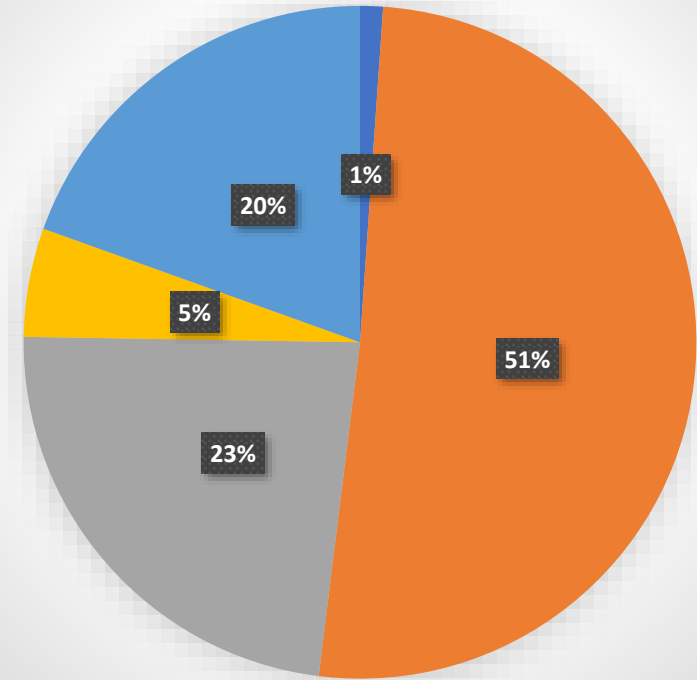

**And now...the results**
